DEAR HUNTERS AND FRIENDS.

Uitzicht Game Farm is a registered Private Nature reserve where one can hunt all year round. There are 16 different species of the highest quality of game on the farm. The view and the area of Uitzicht is breath taking. The water on the farm comes directly from fountains, crisp and clear. The Lodge has accommodation for 80 people. Uitzicht Game Farm stems from 3 farms, Fraaiuitzicht, Suikerboschrand and De Zolder and has been established as a Game Farm since 1999 (22 years ago) and conservation is our main goal. Uitzicht Game Farm is strictly a game farm and only accommodates local hunters. Hunbting is done from the vehicle.
